Executive Board Meeting  
April 23, 1998

\*\*\*\*\*

7pm-9pm - Dennis & Terri Pausch's

Present - Dennis Pausch, Lori Skillings, Deb Moltzan, Rick Lewis, Donavan LeDoux, Chuck Hillstrom & Pam Lewis

**MINUTES -**

Executive Board members met and went over previous meeting

Lori Skillings had a copy of the directory printed for review and changes were incorporated. Decided on # of directories to print (75), with copies going to local township officials as well as all current members and who would like to join at our June picnic.

Picnic set for June 14, 1998, (1pm) at the Vergas City Park shelter. Dennis Pausch will compose a letter to be mailed by Pam Lewis to everyone in & around the lake (put up in various locations around Vergas).

Annual meeting date set for August <sup>15</sup>22, 1998, (9am - 12pm) at the Vergas Community Center (reserved). Speaker from the DNR or Lakeshore management; Dennis will check with Wally Hegg on suggestions. Send letter to inform people.

Discussed the various committees and their duties:

- 1) Environmental - Deb Moltzen & Dennis will contact people suggested to volunteer (Dick Applegate, Jerry Bennett, Larry Hunt & Dennis Mathieson) Suggested that they watchdog for changes to the lake. Collect information and work with appropriate groups to come up with solutions - NO finger pointing.
- 2) Water Testing Committee - Rick Lewis to head with the Lake Section Representatives to help (Chuck Hillstrom, Deb Moltzan, Bev Flateland, Dick Applegate & Mary Montgomery) Suggested that they take other people along to see how it is done.
- 3) Directory Committee - Lori Skillings is almost done, will contact Dennis.

Discussed the duties of the Lake Section Representatives aka Beach Captains:

- 1) Recruit new property owners to join the association, will have brochures that explain the association and purpose to hand out.

- 2) Check their sections for any changes happening in or around the lake and let the Environmental committee know.
- 3) Help with the water testing once a month beginning in May (5 months worth)
