

VERGAS LONG LAKE ASSOCIATION
P.O. BOX 43
VERGAS, MN. 56587
JUNE 2009

It has been many years since any attempt was made to hold a Lake Assn. meeting. Lack of issues and interest caused the Associations demise. I was the last elected President so I have continued to act as your President when needed. Lori Skillings has continued to act as Sec./Treasure during that same time.

The lake population has grown rapidly in the past several years and there is an interest in getting our Assn. re-established. I am calling an organizational picnic meeting to be held at the Loon Park on the 12th of July, starting at 4 PM. The association will furnish ham, buns, potato salad, and beans along with paper products and plastic utensils. (Please bring your own favorite beverage). Lunch will be served immediately followed by the organizational meeting.

Rich McCrady has agreed to accept the Presidency, and Sandy Vandermay the Secretary-Treasurer position. They both live on the lake year around and thus can provide better continuity to any issue. Additional nominations from the floor will be welcome. A volunteer from each of the following section on the lake, to be Beach Captains, i.e.: Town, NE, NW, SE, SW, and the new S Central section, will be needed.

Suggested program topics and issues you think the Assn. should be involved with will be discussed. The 2009 Lake Association membership dues are \$15.00 per lake lot and can be paid at the picnic meeting.

Please RSVP @ 218.342.2897 or whegg@cox.net.
Come out and meet your lake neighbors!

Wally Hegg
Acting President
