

Long Lake at Vergas Lake Association March 2020 Update

I hope this email finds you all safe at home and healthy. The purpose of this email is to update some information.

1. Please pay for 2020 spraying if you want to have your property sprayed. About 60 members have paid so far. When the weather permits we will be spraying for tent caterpillars. To have your property sprayed you must prepay by April 1, 2020. Mail your check to:
LLVLA, POB 43, Vergas, Mn 56587. Payment for 2020 is the same amount that you paid in 2019. If you have any questions email Eddy Roesch at Eddy@roeschoutdoors.com.
2. We will clean the ditch along highway 60 sometime in May. We will practice physical distancing while we pick up trash. Watch for more information.
3. The annual meeting has been postponed until the Covid -19 danger is past. No new date has been determined.
4. So far we have about 80 paid memberships for this year. If you haven't paid your 2020 dues please do so ASAP. Information regarding the lake association is only sent to paid-up members. Annual dues are \$50. Please mail a check to LLVLA, POB 43, Vergas, Mn 56587 if you have not paid yet.

Soon the lake will be open and we will be able to greet each other from a safe distance.

Think Spring!

Pam Kirsch, LLVLA President
