- 4th of July Parade will be on the 4th of July at 2PM.
- Please review and remind your guests of the boating rules, regulations, and etiquette so that all can enjoy a safe experience on Long Lake.
- According to the Mn DNR "Etiquette/Own Your Wake", "boats can reduce the likelihood their wakes will cause damage to other boaters and to the shore by staying at least 200 feet away." **If you are within 200 feet of someone or the shore you should be at no wake speed which is less than 5 miles per hour. To give you a visual the narrows is about 350 feet wide.**
- The dates for the Highway 60 Adopt a Highway fall cleanup will be sent out by email. Join us if you can.
- We will continue with our beaver control measures. If beavers are causing damage to your property, you can control them yourself
